The Future Research Talent travel award program is open only to students or staff from specific collaborating institutions in Indonesia. Every collaborating institution is provided with a unique Nomination ID. Please request your institution to provide you with your unique Nomination ID.

If your institution has not received nomination IDs, please ask them to contact frt.science@anu.edu.au. Unfortunately, until such time as Nomination IDs can be supplied, this on-line application cannot be completed. Should your Nomination ID be incorrect or incomplete in any way, this on-line application will be marked invalid and not be processed further.

Academic details

Are you a student or staff member? *

- Staff
 Student

What faculty / department / centre do you work in? *

Faculty of Science

Academic transcripts *

No file chosen

Please attach a copy of your academic transcripts. Please include up-to-date transcripts showing academic performance across the degree program to-date; if you are a PhD student, please include a copy of your UG/PG transcripts and your PhD research proposal.

One file only.

2 MB limit.

Allowed types: jpg, pdf.

Updated CV or Resume *

No file chosen

Please attach a copy of your CV or resume. Please include information on any research work, prizes, awards or funding you may have won.

One file only.

2 MB limit.

Allowed types: pdf, doc, docx.

When selecting
"Staff"
you will see this
page

Page
continued

Clicking on "Template" will download the referee form, it can also be downloaded from [FRT Template RefereeReport 1.docx \(DOCX, 50.19 KB\)](#), and it is also available on the [FRT webpage](#)

When selecting "Upload academic reference letters" you will see this page

2 Academic Reference Letters

You must provide two academic reference letters from staff who have supervised your academic work. Your supervisors may use this [template](#) (but they do not have to - we will accept reference letters in any format preferred by your supervisors). Your supervisors may prefer to send their reference directly to ANU. If so, they will need to email it (with your name and unique nomination ID in the subject line) to frt.science@anu.edu.au by **22 January 2025**.

Provide academic references (please specify how we will receive your references)

- Upload academic reference letters
- I have spoken to my supervisors/academic referees who will send reference letters directly to frt.science@anu.edu.au by 22 January 2025.

Academic reference letter 1 *

No file chosen

One file only.
5 MB limit.
Allowed types: jpg, jpeg, pdf.

Academic reference letter 2 *

No file chosen

One file only.
5 MB limit.
Allowed types: jpg, jpeg, pdf.

When selecting "I have spoken to my supervisors/academic referees who will send reference letters directly to frt.science@anu.edu.au by 22 January 2025." you will see this page

Nominate Disciplinary Area, Research Project, and Staff

Please consider the [research projects / areas / groups accepting applications for the 2025 FRT round](#) and nominate the research project / area / group that you are interested in working with. From the table under 'Research Projects / areas / groups' listed on this webpage, you may nominate up to three research projects or areas of groups that you are interested in.

Preference #1**Disciplinary area ***

Earth Sciences

Research Project *

Common Framework for Inference - Learning by example^

ANU Supervisor/s *

Prof Malcolm Sambridge and Dr Michael Korn, Dr Fabrizio Magrini

Please only answer the following if your nominated research project is marked (on the FRT webpage) as a project that can be extended beyond the standard duration (12 weeks) of the FRT Program.

Are you interested and available to undertake this research project for an extended duration beyond the standard (up to 12 weeks) period of the FRT program? Response should be selected from 'yes' or 'no'

 Yes No

Please indicate the total number of weeks or months that you will be available to undertake the research project

(e.g., up to 26 weeks) or months (e.g., up to 9 months)

Up to 6 Months

Please indicate the start and end month & year of your availability to undertake the research project

e.g., available from June 2025 - December 2025 or available from September 2025 - March 2026, etc.

June 2025 - December 2025

Clicking here will take you back to the FRT webpage where you can find the list of the research projects OR visit

<https://science.anu.edu.au/study/scholarships/future-research-talent-awards-indonesia>

Staff members should search for research projects with #
